

On April 12 through April 15, eleven members of the CFFC traveled to the Whistle Stop Lodge, near Robbinsville, NC, for 3 days of fishing. Members fished a variety of streams including Big Snowbird DH, Nantahala DH, Lower Nantahala, Deep Creek, and Tuckasegee DH. Everyone caught fish, especially on Friday. Saturday found the Nantahala very crowded but fish were caught when you could find a spot to park and fish. Weather was beautiful on both Friday and Saturday. Sunday was a wash out and everyone headed home. The lodge was very comfortable and well furnished. The meals, all provided by club members, were plentiful and outstanding. Fun was had by all.
