3. How you learned about Rivercourse

Fellow Club Members,

Established in 2002, the Rivercourse Coldwater Conservation & Fly Fishing Youth Camp is sponsored by the North Carolina State Council of Trout Unlimited and emphasizes Trout Unlimited's Mission – conservation, restoration and preservation of coldwater fisheries and their watersheds – while teaching campers the basics of fly fishing, a sport for a lifetime.

Rivercourse is a high quality experience for boys and girls between the ages of 13 and 15 and takes place in the heart of the Appalachian Mountains at the Lake Logan Event Center near Canton, NC, on Sunday, June 16 to Friday, June 21, 2019. This pristine setting includes a section of the West Fork of the Pigeon River, which is privately owned and stocked with trout for the use of the camp.

Participant selection by NCTU will be in mid-April. The Carolina Fly Fishing Club will contribute one half the Camp fee for one boy and one girl camper that the CFFC Board of Directors selects as the worthiest candidate. The Board needs to hear from all interested parties quickly as we must make our selection and then forward that name to NCTU prior to April 2019.

If you have a child or relative that is interested in the Camp, contact Todd Basinger at tbasinger3@carolina.rr.com with the above completed form and Essay. You can download the TU registration form by following this link–<https://www.rivercourse.org/>

The above CFFC form and NCTU Rivercourse form must both be completed.
